Livity Life

The Livity School Weekly Newsletter

School News

Our Nurse Laura from Evelina Children's Community Nursing Service is sadly leaving us on Thursday 15th October. GSTT are currently advertising for a new nurse. In the meantime, the Complex Needs School Nursing team will still be supporting Livity. Laura has been fantastic and we wish her all the best for her new role.

Red Class

Red Class have been getting creative with mark making, exploring lots of different tools and textures using cocoa powder and yoghurt. The pupils have enjoyed making their own marks, experimenting with different movements and discovering the smells and textures of these sensory materials. It has been a fantastic opportunity to encourage creativity, sensory exploration and fine motor skills whilst having lots of fun!

Yellow Class

In Yellow Class this week we've been working hard on our numeracy skills. Some of us have been counting, some have been adding and some have been subtracting but all of us have been trying our hardest! In the sensory garden this week we've been having a wonderful time digging and watering the plants.

Dragonfly Class

This week, Dragonfly Class enjoyed '*The Music Festival'* sensory story. The children made choices and explored the food and musical instruments. They particularly enjoyed the dancing parts and looking at the stars projected onto the ceiling. We continued our shared reading sessions with the book '*The Highway Rat*' with puppets. They also enjoyed a mark-making session with vegetables.

Pink Class

This week in Pink Class, the children have been exploring different books during their My Communication lessons. They have enjoyed looking through a variety of books, having books read to them and choosing books from the library. The children have also been enjoying our class story '*Maisy goes to London'* which has become a predicable and consistent part of our weekly routine.

Blue Class

This week, Blue Class enjoyed spending time in our sensory garden. The children were encouraged to make choices to choose what they wanted to do. They enjoyed watering the plants, drawing on the wall with chalks, playing with the cement mixer and getting creative in the mud kitchen. Staff modelled different Makaton signs and used visual supports to help the children understand and communicate. It was lovely to see everyone getting involved, making choices and enjoying the garden in their own way.

Orange Class

Orange Class have been learning all about London this week. They have been enjoying our sensory story, exploring the different sounds and pictures of the city. They have also been busy making decorations for Bonfire Night using a variety of recycled materials and creating their own colourful firework art pieces.

Bumblebee Class

This week in our literacy learning, Bumblebee Class started working on identifying who is in the stories or pictures they encounter. In maths some of the class worked on recognising and matching colours and objects, whilst other pupils explored using apples to support their addition to 10. The pupils made lemon cupcakes in cooking and loved popping bubbles when they created a colourful soapy foam in an experiment!

Gold Class

This week in Gold Class, our pupils are celebrating Black History Month and made sweet potato biscuits. The pupils wrote and sequenced the recipe and then followed the steps to make the biscuits. They used sweet potato, flour, butter and cinnamon. During My Communication lessons, the pupils matched pictures to their symbol to make comments. The pupils can focus for longer periods and enjoy hands-on activities.

Green Class

This week, Green Class have enjoyed exploring pom-poms and scarves during our My Body sessions. The pupils were encouraged to make choices about which resources they would like to use, supporting their communication and independence. We then used our chosen scarves and pom-poms to move and dance along to a variety of music during our sensory massage session. We also had lots of fun making guacamole during our cooking session. We enjoyed exploring the different ingredients through touch and smell before mixing them together to create our delicious guacamole.

Rainbow Class

This week in Rainbow we have enjoyed learning all about space. In art we created a space rocket to take us all the way to the Moon, we have been creating fact files about the Moon during our writing sessions and sending postcards to Beegu to tell her all about Earth!

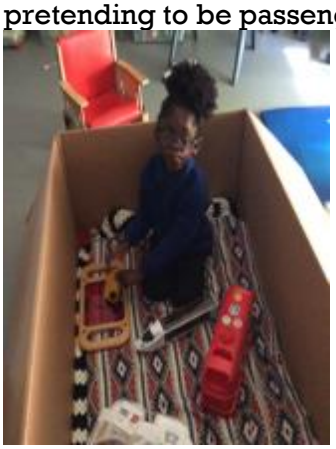

Purple Class

It has been an exciting week in Purple Class! In My Communication, we have been reading '*Paddington Bear'* and had a wonderful sensory story exploring the book whilst using all of our senses. We also enjoyed following instructions to make playdough, the children enjoyed mixing all the ingredients up and learning a new skill of kneading the dough to get the right texture!

Butterfly Class

This week, the children have enjoyed exploring a range of props and experiences as part of our London theme. The children had lots of fun exploring our class bus, taking turns to sit inside and using different props as they pretended to travel around London. They especially enjoyed singing the wheels on the bus together whilst acting out the different actions. The children also explored travelling on the London Underground. They enjoyed crawling through the tunnel, pretending to be passengers,

Silver Class

This week, Silver Class pupils have been developing their handwriting and phonics skills. Pupils practised spelling CVC and CVCC words using whiteboards and markers, whilst others used pencils and books to develop their letter formation and handwriting. Through these activities, pupils were learning to hear and identify sounds in words, apply their phonics knowledge when spelling and form letters correctly. They also developed their fine motor skills, pencil control and confidence in writing independently. We are very proud of the excellent effort and enthusiasm shown by all pupils this week.

Unicorn Class

This week in Unicorn Class we have been continuing work on division as equal sharing. We have been roleplaying sharing objects between a certain number of friends. We have also been working on ordering events and giving written instructions step by step to our friends.

Ladybird Class

This week Ladybird Class have enjoyed engaging in various fine motor activities. The children have been using tweezers to pick up coloured spaghetti and place it into a bowl. Ladybirds have also demonstrated good number awareness by matching numbers from 1 to 20 during our small group maths session.
