

The Livity School Weekly Newsletter

School News

Term finishes on Friday 4th April at 1pm. We return Tuesday 22nd April.

Please remember to call the school office before 7.30am if your child is going to be absent.

Red Class

Red Class enjoyed participating in the V&A workshop this week. Pupils made marks and explored materials independently. They created their art by making choices and feeling different textures.

Yellow Class

This week in Yellow Class we've been investigating different aspects of Spring and learning about the environmental changes that happen when Spring arrives. In cooking we've been ushering in the holidays by making chocolate nests. The pupils really enjoyed mixing the melted chocolate. Yum!

Dragonfly Class

This week, Dragonfly children chose their favourite smells to create bubbles and to find hidden objects in their trays. They also continued with their activities related to Easter and finalized decorating their Easter Eggs with feathers and other materials. The children also enjoyed a picnic activity shared with children from other classes.

Pink Class

In P.E. this week, the children were practising dynamic ball-catching and throwing activities. The session was engaging and enjoyable, and the children enjoyed playing with their peers. Pink also enjoyed taking part in an egg hunt around school.

Blue Class

This week in Blue Class, the activities were based around the Easter theme, providing both fun and educational opportunities. The children enjoyed decorating eggs using a variety of colours and explored stamping circles and other shapes onto the eggs. They also used the feet of the Easter eggs to create dots, helping them develop skills in colour recognition, pattern-making, and creative expression. These activities not only celebrated the Easter season but also supported fine motor development, cognitive skills like counting and number recognition.

Gold Class

This week, Gold Class focused on writing and sequencing sounds to make words. The pupils enjoyed phonics lessons and engaged in activities to recognize the sounds they have learnt this term. Pupils completed activities during 'My Communication' lessons and practiced writing and matching words to pictures of our story.

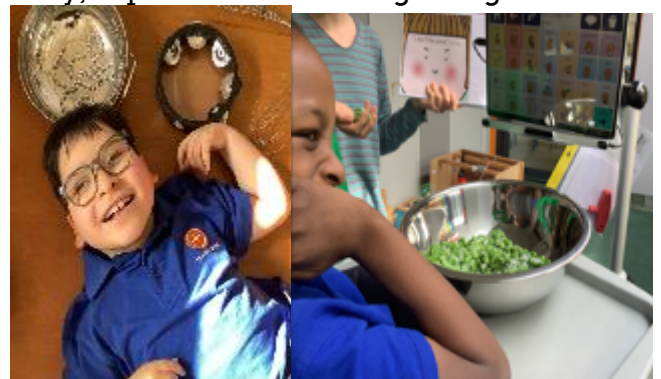

Orange Class

This week in Orange class the children enjoyed using their skills playing basketball during their P.E session with their peers and had fun doing so. They also enjoyed their art session making beautiful pictures using different art materials.

Green Class

Green Class have been enjoying exploring the resonance board. We have been seeing how our body movements can effect change on our surroundings. In Green Class we have also been enjoying the story 'Eat Your Peas'. Some of us have been exploring emotions connected this story, in particular the feeling of anger!

Bumblebee Class

This week Bumblebee Class really enjoyed the Sensory Story 'Don't put your finger in the Jelly Nelly' By Nick Sharrat. We also enjoyed creating Mother's Day Cards in art.

Rainbow Class

Rainbow class have thoroughly enjoyed going to the Friday activity sessions around the school. Board games, Lego, cooking, football, disco and many more options to have fun with friends from other classes!

Purple Class

This week in Purple Class we focused on our story 'Very Hungry Caterpillar'. We retold the story, made arts of butterflies, took parts in drama role playing. We matched props with symbols, described pictures in the book and took turns feeding our caterpillar that we helped to make.

Butterfly Class

In the last week Butterfly Class have worked on their physical skills and have been busy using different equipment. We have been learning about Easter, Making Easter cards and decorating our eggs for the egg hunt. We also enjoyed a 'Teddy Bears' Picnic with Dragonfly Class to end our 'Food' topic.

Silver Class

This week, Silver Class children focused on drawing, allowing them to explore their creativity by choosing different colours, patterns, and designs. They could invent their own unique egg designs or follow traditional patterns.

Unicorn Class

During our V&A Art sessions we have been making insects using mixed media. We used card and tissue paper to create different parts of insects such as bumblebees and ladybirds. In gardening we have been enjoying planting seeds such as tomato seeds.

Don't Forget

All our term dates are available on our website

Tel: 0208 187 5318 / 0208 187 5317 / 0208 187 5316

Ladybird Class

This week Ladybird Class have carried out a science experiment called: 'baking soda and vinegar volcano' where they have poured the two ingredients to watch the sizzling effect. They have also enjoyed making Mother's Day cards by making a flower with a carrot and apple stamps. Ladybirds have also been developing their fine motor skills by drawing circles on the laminated sheet of paper. They have engaged well in Attention Bucket Lava Portion demonstration.
