

### School News

**Reminder: Tuesday 11<sup>th</sup> of October nursing team will be administering the Flu jab**

[Please remember to call the school office before 7.30am if your child is going to be absent.](#)

#### Red Class

We have a foot spa and hand and foot massage to help children to become aware of parts of their body. The sensory experience with warm water and bubbles and smelling and choosing different hand creams is very popular.

#### Yellow Class

Yellow Class children have been exploring materials with different textures with their hands and feet. They also enjoyed so many sensory writing sessions with coloured spaghetti. Children have also tried to find hidden objects in the jelly bath and had so much fun feeling the texture on their fingers.

#### Pink Class

In Pink Class this week we've been working hard in our phonics lessons, thinking all about the 'S' sound and exploring objects that begin with the letter s. In art we used glue and feathers to make the duck from our story; Farmer Duck. In our circle time we've been looking at different emotions, and strategies to help us when we're feeling sad or angry.

#### Blue Class

This week Blue Class worked with their self-portraits as part of our theme for this term "Ourselves". They decorated their pictures with coloured papers making a collage. They were engaged and had fun. 😊

#### Orange Class

In Orange Class, it has been a very good week. At their work stations, children were very focused and during our communication lessons, some of them were able to match pictures of objects to the corresponding sense that helps to recognise them. Our maths sessions provided opportunities for children to consolidate their understanding of numbers and they did amazingly well.

### Ladybird Class

Ladybirds Class have enjoyed making towers and counting the bricks to measure how tall we are. We loved writing lines and circles in cocoa. We enjoyed our cooking; making pasta sauce with red peppers and tomatoes.

### Rainbow Class

We continued reading other fairy tale stories and started reading a story about harvest called 'The Little Red Hen'. We worked on literacy and art skills. We also did work on shapes and numbers. Rainbow Class look forward to celebrating Harvest and Black History Month.

### Green Class

This week Green Class enjoyed playing together and shopping at the Livity School

tuck shop for the 'Me and my community lesson'

### Purple Class

Purple Class had an enjoyable week. We especially loved spending time outside in the sensory garden exploring and observing the changing season. We used our senses to explore the transforming autumn scene.

### Butterfly Class

This week we experimented with different ingredients to make cloud dough and slime. We liked mixing the ingredients together and testing the changing mix.

## Bumblebee Class

This week Bumblebee Class have been in our school's Hydro pool and have done amazingly well in their swimming lesson. We have also tried cooking porridge oats and we used the microwave and pressed buttons to heat it. The Bumblebees have done really well in their dance session where they could move alongside each other.

## Gold Class

This week, Gold Class have been learning new sounds and words beginning with particular sounds. Then we practised writing them. We are learning that addition means "put together and count again". We enjoy the Livity Tuck Shop every Wednesday, where we can buy snacks with our own money.

## Silver Class

This week Silver Class have been looking at shapes. Pupils have been able to identify 2D and 3D shapes around the school. They have been able to name shapes according to their attributes. For cooking we have been following a cooking recipe. Pupils have been making porridge and adding their favourite topping. This week their favourite topping has been banana.

## Unicorn Class

This week in Unicorn Class we have been writing letters to the three bears on behalf of Goldilocks. We have also been describing the properties of 2D and 3D shapes!!!
