

## The Livity School Weekly Newsletter

### School News

We are looking forward to our Mental Well-Being week next week. We will be focusing on a well-being theme every day; being in balance, feeling capable, feeling well, having resilience and having a sense of belonging.

Please remember to call the school office before 7.30am if your child is going to be absent.

#### Red Class

As part of our topic on *Water*, we went to the sensory garden to water the plants and look to see what was growing. The children enjoyed using the hose to water the plants and splashing the water around. Yellow and Red Class joined up for a community experience, sharing snack and playing some parachute games

#### Yellow Class

Yellow Class children have been creating a display related to our new topic of *Water*. We used different colours and materials. They also learned about the sense of movement on using different fabrics and objects.

#### Pink Class

It's been a short but busy week in Pink Class. We've continued our recreations of famous paintings of water; Claude Monet's *Waterlilies*, using footprints to paint the water. In our communication lessons we've been enjoying requesting for salt water spray and slime, just like the *Snail and the Whale*!

#### Blue Class

In cooking class this week, Blue Class children made fruit smoothies. Children loved exploring and tasting the different fruit ingredients such as banana, mixed berries, yogurt and oat milk. This week's swimming session went very well, with all children building confidence in the pool. Well done!

### Orange Class

In Orange Class this week, we further explored our topic *Water*, we found out where water comes from and then learned about the uses of water. We thought how we use water for bathing, to clean the dishes and cook. During our cooking session, we made healthy smoothies that we all enjoyed.

### Ladybird Class

Ladybirds Class really enjoyed the activities during our story of *The Rainbow Fish*. We turned the sensory room into an underwater environment to tell the story; with ocean sounds, and images from the story projected onto the wall. The children also made bagel pizza and did some gardening, which was fantastic!

### Rainbow Class

Rainbow Class enjoyed making smoothies this week. We linked our maths lesson to cooking by measuring the capacity of liquids. We also took part in art work linking to our story, *The Snail and the Whale*. We look forward to our trip to the aquarium.

### Green Class

This week in Green Class we have been enjoying different activities with water. Here we are playing with sea life and boats in the water.

### Purple Class

This week Purple Class have been working on their camping skills playing in the tent. In music Purple Class have been learning to play the wind chimes.

### Butterfly Class

Butterfly Class have really enjoyed making fruit purees this week. We loved turning on the blender, using a switch and then eating and exploring the pear and apple purees we made.

## Gold Class

This week Gold Class have been working on independent tasks and turn-taking activities. We are reading *Sharing a Shell* story this week and learning about sea animals. We followed a recipe to make banana and strawberry smoothie.

## Silver Class

This week Silver Class have been counting beans and with flowers for our maths lesson. We have also been making lovely French Toast in cooking.

## Stay Alert to the Symptoms of Coronavirus

**HIGH  
TEMPERATURE**

**NEW  
CONTINUOUS  
COUGH**

**LOSS OF  
TASTE OR  
SMELL?**

You can book a free COVID test by visiting the following web address:

<https://www.gov.uk/get-coronavirus-test>

For guidance on responding to Corona Virus in children please visit the following web address:
