

## The Livity School End of Year Newsletter

### School News

#### Goodbye and Thank You

As always it is a time filled with mixed emotions when saying goodbye to our Year 6 Leavers as they start their transition to their secondary placement.

The majority of our Year 6 Leavers have been at The Livity School since they joined in reception and it will be a big change for us all. Each and every one of them has brought their own personality to our school and we look forward to hearing how they flourish. We would like to thank you, the parents/carers for your continued support throughout the years and wish you all the best as you start this new journey with your child.

*"Happy farewell! Farewell is a new beginning. Don't be sad; better days are coming".*

As this school year comes to a close, we would like to take this opportunity to wish you and yours all of the very best for the summer. May it be a safe, healthy and happy one and whatever your holiday plans are, may they be most enjoyable!

We look forward to seeing you all and welcoming our new parents in September.

School re-opens on the 1<sup>st</sup> September 2022.

**Our wonderful School Cook, Bernice, is hanging up her aprons and saying goodbye to The Livity School.**

**Bernice** has prepared meals for the staff and pupils at The Livity School for many years. She has produced flavoursome meals whilst considering the varying needs and challenges of our pupils.

Christmas dinners have been so memorable with our traditional lighting of the Christmas Pudding. Her lovely smile and professional attitude has been her trademark. Bernice also achieved the **5 star food hygiene rating** on more than one occasion, which reflects the standards of food hygiene found at The Livity School. All the staff and pupils at The Livity School wish to express their gratitude and best wishes to you. You will be greatly missed.

### **Goodbye and Good Luck Debbie**

After years of supporting pupils and staff, **Blue Class Teacher, Debbie**, is moving onto pastures new. Debbie has been a class teacher at The Livity School for 15 years. During that time, she has supported the vision, leadership and direction of the school. Debbie is an excellent teacher who is dedicated, hardworking and will be a great loss to The Livity School. Thank you Debbie, and good luck from all the pupils and staff at The Livity School. We wish you every success in the future.

This term we will be saying goodbye to **Aysa, Ladybirds Class Teacher.**

During her time at The Livity School, Aysa has developed her skills in working with complex needs pupils. Aysa will be starting a new teaching role and we wish her all the best for the future. Thank you Aysa.

**A Big Thank you to Richard** for the generous donation which he made to The Livity School. By selling his fragrance products, Richard raised enough money to provide each classroom with a beautiful air freshener.

### Red Class

Today we have celebrated our lovely leavers moving on to their new secondary schools in September. It was a lovely party and a pleasure to see those children so excited when it was their turn to be celebrated.

This beautiful cake was given to the staff by the parent of one of our Year 6 Leavers. Thank you so much.

### Yellow Class

Yellow Class children have been enjoying activities with scent dough. They used their hands to manipulate it and play with it. They also played with sprays and water trays with fruits, flowers, and objects with different textures in them. They also had friends from other classes in the Yellow Class sharing games and activities with them.

### Pink Class

We have ended our year with lots of fantastic activities. We loved working hard on sports day and have all been showing our creative sides by taking part in our final CREATE project session. In cooking we loved trying new and exotic fruits with a tropical fruit salad. From everyone in Pink Class we hope you have a lovely restful break, and we can't wait to see you all in September!

### Blue Class

Blue Class children have had lots of fun in the sun this term. Children have enjoyed a range of water activities linked to our curriculum theme *Water*. Children learnt about floating and sinking, splashed around and kept cool in the paddling pool, submerged their feet in water, and enjoyed their favourite ice cream.

### Orange Class

Moving towards the end of the term Orange Class have been celebrating children's achievements in various ways. Our sports day took place last Friday and children did very well, participating and enjoying the activities planned for them. It was a brilliant day and we wanted to share that with all. Well done Orange Class!

### Ladybird Class

Ladybird Class had an excellent year. It has been amazing to see how much our children have grown and made fantastic progress in all areas of the learning. We are so proud of all the children's amazing achievements. Have a lovely summer holiday.

### Rainbow Class

Rainbow Class had a good week. We have reflected on our year and looked back at old photos and thought about all the good work we have done. We also celebrated our year 6 leavers assembly.

### Green Class

Green Class enjoyed water play with their friends from Butterfly Class using their feet, to help keep them cool in the very hot weather.

### Purple Class

This week, Purple Class have prepared for sports day by tie dyeing our team shirts. We have also been working on stranger danger.

## Butterfly Class

We have been enjoying lots of water play this week. We have raced boats using guttering and tubes, we have experimented by adding different things to water such as washing up liquid, corn flour and food colouring. Our favourite activity has been splashing water with our feet and hands.

## Gold Class

On Friday, Gold Class participated in The Livity Sports Day! We enjoyed different games and activities. For the last week of school, Gold Class has been exploring ice and observing how it melts in our hands while we fight the heatwave. We have been discovering sounds and letters hidden in the ice and naming them!

## Silver Class

This week, Silver Class have been enjoying the hot weather. We had lots of water play activities and have been preparing for our end of year party. We will be celebrating our children achievements and recognise the outstanding work they have done throughout the year.

## Dates for your Diary 2022
