

The Livity School Weekly Newsletter

School News

We have some more wonderful curriculum enrichment events planned for this coming week. We will be welcoming *Singing Hands* on Thursday 25th who will perform to all children, in sessions across the day. On Monday there will be an art workshop for some lucky classes.

Next week is also our next *Mental Well-Being* week. The week will be centred on five themed days. Each day supports a mental well-being strategy and brings even more joy and happiness to the week.

Red Class

In Red class this week we made apple and cinnamon muffins. The children took them home to taste. We are enjoying our autumn sensory story and went outside in the sensory garden to look at the signs of autumn. The children were excited when they saw a squirrel!

Yellow Class

Children in Yellow class have been celebrating *Anti-Bullying* week. They decorated socks with different materials and wore odd socks on their chairs. They also practised passing a ball to each other working in small groups.

Gold Class

Gold class has been working on more activities to celebrate Diwali. This week we decorated a Rangoli using rice dyed with food colouring. On Friday we make naan pizza and enjoyed eating it! Yummy!

Pink Class

We've been very busy in Pink class this week. We've been continuing our autumn theme as well as learning about healthy eating. We've also done some handprint art for anti-bullying week!

Blue Class

This week in Blue class, children had a lovely music lesson with Kim. Children explored the microphone, played the drums and shakers fast and slow to music.

Orange Class

In Orange class this week, we learned about the letter sound "a" and children enjoyed listening to phonics songs, dressing up like astronauts, practising their fine motor skills through threading, colouring and making crafts.

Ladybird Class

Ladybird class has had a fantastic week. We enjoyed going to the sensory garden, looking and collecting autumn leaves. The children were also amazing in ICT operating switches and touch screen using the computer and interactive board. Have a lovely weekend.

Rainbow Class

Rainbow class has had a very good week. We have been working on addition and subtraction during our maths lessons. We have been playing a firefighter game using our game board and dice. We look forward to our activities next week.

Green Class

This week Green class invited our friends from Red class to come and join us for our community lesson. We created a toy shop and café and we role played being the shop keeper and customer. We had lots of fun making choices and exchanging with our friends.

Purple Class

This week, we have been looking at 'everyday materials'. We have been distinguishing between an object and the material in which it is made from. As well as this, we have been identifying and naming a variety of everyday materials, including wood, plastic, glass, water and rock. We have also been describing the simple properties of a variety of everyday materials. Have a wonderful weekend!

Butterfly Class

This week in Butterfly class we have worked on our physical programs using different equipment and positions. In cooking we explored fruits and created fruit kebabs with pear, apple and clementines

Silver Class

This week we did some *Anti-Bullying* week themed activities. We looked at different ways of being kind to each other and we used rôle play to find different ways of being kind to our friends. We made autumn art.

Stay Alert to the Symptoms of Corovavirus

HIGH TEMPERATURE	NEW CONTINUOUS COUGH	LOSS OF TASTE OR SMELL?
