

The Livity School Weekly Newsletter

School News

Thank you to all the parents and carers who attended the Parent and Carers Forum last week. It was so nice to see so many of you in school, having a chat and supporting each other. This event will be held monthly, so we will look forward to seeing you all.

A gentle reminder for those who do not use school transport. It is important that pupils are brought into school before the end of morning registration which is 9:30am. Any pupils arriving after this time will be marked as "late" which is an "unauthorised absence". If you are having issues in getting your child into school on time, please ask to speak to a member of SLT.

Red Class

In Red Class this week we have been enjoying *Mental Wellbeing Week* and doing some fun activities to explore and relax. We made yogurt and corn flour slime, which was a lovely tactile activity and the children enjoyed mixing and exploring it.

Gold Class

Gold Class has worked really hard this week and we are very proud of our children. We have been creating decorations to display around the school and lots of other activities to celebrate *Mental Wellbeing Week*.

Yellow Class

Children in Yellow Class have been exploring the texture of spaghetti dyed with different colours

and mixed them choosing their favourite ones. They also used switches to operate sensory equipment.

Pink Class

We've been enjoying our time in the sensory garden this week in Pink Class, making chalk outlines of ourselves and filling them in with all the beautiful autumn leaves that have fallen in our playground. We've also been working really hard in *My Thinking* and *My*

Communication lessons.

Blue Class

This week some children from Blue Class visited Marks and Spencer's in Streatham. Upon arrival we sanitised our hands before shopping for items on their symbol shopping list: bread, jam, milk and porridge. The children enjoyed being out in the local community.

Orange Class

This week was very busy in Orange Class. In addition to our daily lessons, we took part in an art workshop during which we had a lot of fun making Christmas crafts. Our swimming session went very well on Monday; the children are becoming more confident in the water.

Ladybird Class

Ladybirds Class had a fantastic week. We enjoyed our art workshop session making Christmas decorations. We also had lots of fun using different communication tools and props during our big book story *The Very Hungry Caterpillar*.

Rainbow Class

We have started our music sessions based on Caribbean folk music this week. We are currently learning about rhythm and how music has an impact on our mood. We had lots of fun choosing and learning the songs. We look forward to next week's learning activities.

Green Class

This week in Green Class, our children enjoyed exploring and using switches to activate cause and effect toys.

Purple Class

This week in Purple Class we have identified and sorted a variety of everyday materials. We have been distinguishing between an object and the material in which it is made from. We have been describing the simple properties of a variety of everyday materials.

Butterfly Class

This week in Butterfly Class we have made a delicious carrot cake and explored different messy play. During Mental Wellbeing Week we have engaged in massages and spa sessions which the pupils have really enjoyed.

Silver Class

Silver Class enjoyed a visit from the ladies from Singing Hands. We chose some songs to sing and used our Makaton signing to sing songs such as *Baby Shark*, *One Finger, One Thumb*, and *Five Firemen*. We have also been continuing to look at emotions and the colour that we are feeling as described by *The Zones of Regulation*.

Stay Alert to the Symptoms of Coronavirus

HIGH TEMPERATURE	NEW CONTINUOUS COUGH	LOSS OF TASTE OR SMELL?
