

The Livity School Weekly Newsletter

School News

Please remember to call the school office before 7.30am if your child is going to be absent.

Red Class

Red Class enjoyed celebrating the King's Coronation with friends in Yellow and Green Class. We have been working hard on affecting our environment in 'My Cognition' using switches and exploring items with our hands and feet.

Yellow Class

Yellow Class this week have participated in shared reading activities. They have chosen their favourite sensory books to read with their peers supported by adults. They explored the different textures on the pages and used their voice to express their likes and dislikes about the books. The children also continued learning to use their communication devices to choose activities and activate their preferred options during the sessions.

Pink Class

We really enjoyed making crafts and decorations for the coronation at the end of last week in Pink Class. We all made crowns and used our play dough to make some decorations. In phonics we've been working hard and have been thinking about the /t/ sound. We particularly liked drawing out the letter 't' in flour.

Blue Class

This week Blue Class, after their art workshop, went on a journey around the school as astronauts to Mars. They were all engaged and they had fun. They walked as spacemen. Well done Blue Class!! 😊

Orange Class

In Orange Class this week, our communication sessions were based on journeys and more precisely on transportation. Children learned about different means of transport (by air, sea and land). They were able to sort types of transport in groups, match them according to different criteria, match words to pictures and for some of them, to spell short words. They also enjoyed the variety of activities offered to them and it was good to see everyone engaging with the activities.

Ladybird Class

The children very much enjoyed the Coronation celebrations at school last Friday. This week we have made balloon propelled rockets. We chose triangles and squares to make wings and windows for our rockets. The children have been practising PECs exchanges and are now able to do this more independently. We have felt very calm practising Mindfulness this week as we have joined in the Mental Wellbeing activities.

Green Class

This week in Green Class we have been learning about Jamaica as part of our 'Journeys' topic. We have made dumplings, listened to Jamaican music and we recreated the Caribbean sea with sand, water, boats and sea life. The photographs are from our Coronation party,

Rainbow Class

In Rainbow Class, we had a good week. We were able to go to the Horniman Museum where we enjoyed looking at land and aquatic animals. We also spent time in the gardens and looking at displays. We also participated in the art CREATE project and enjoyed music with Kim where we played the piano following musical notes.

Purple Class

This week in Purple Class we have had fun doing activities to practise our fine motor skills like sticking stickers in dinosaurs dots. We have also made crowns and we have decorated them with glitter.

Butterfly Class

This week in Butterfly Class the children have continued to do activities for the topic Journeys . We made foot prints with UV paint that we will follow in the sensory room. We also created prints from taking cars on a journey through paint!

Bumblebee Class

Bumblebee Class has had an amazing week. We have been practising our communication skills through different story books and by reaching out to symbols, sounds and props related to those books. We have done some fantastic work during our exploration in the sensory garden by using digging tools. We have also been extremely engaged in our art session as we decorated means of transport by using crayons and glitter to colour them.

Gold Class

This week, Gold Class has taken the plane to go to Spain. We learned to dance Flamenco and learnt about different Spanish food. We made Spanish omelette for our cooking lesson, counting ingredients, chopping potatoes and whisking eggs to follow the recipe.

Silver Class

This week in Silver Class we have been following our topic of journeys. We practised swiping oyster cards during the lesson. Pupils have also been able to match and name different types of transport.

Unicorn Class

This week in Unicorn Class we have been on a trip to Elm Court where we enjoyed Maypole dancing learning a routine with four step instructions. We have also been on a trip to the Horniman Museum exploring the evolution of different animals!!!

Don't Forget

- **Thursday 25th May** – last day of term 5 for pupils
- **Friday 26th May – Friday 2nd June – Half Term Holiday**
- **Monday 5th June** – Pupils return to school
- **Wednesday 14th June 2023** - Parent Forum 9.30 - 10.30am
- **Friday 21st July 2023** – Last day of term
- **Wednesday 13th September 2023** - Parent Forum 9.30 - 10.30am
- **Wednesday 15th November 2023** - Parent Forum 9.30 - 10.30am
