

School News

INSET DAY Monday 14th March – No pupils in school.

Child Friendly Lambeth event from 12pm – 5pm on Saturday 19th March 2022 in Windrush Square, Brixton.

Lambeth have embarked on an ambitious three-to-five-year programme to become a child friendly accredited community through UNICEF. Child Friendly Lambeth is a borough-wide partnership programme with participation from the local authority, schools, community groups, voluntary and community sector organisations, local businesses, police, health providers and commissioners. The main aim of this event is to raise the profile of the Child Friendly Lambeth within the borough, so why not go along during the day to say hello and enjoy the fun!

Friday 18th March is Red Nose day and we would like to raise as much money as we can for this worthwhile cause.

We will be having a day of fun activities for the children including face painting. It would be nice to have the children dressed up as their favourite superhero or just to wear something red. We look forward to seeing the children all dressed up and we thank you for your continued support.

[Please remember to call the school office before 7.30am if your child is going to be absent.](#)

Red Class

We have been reading *Jack and the Beanstalk* this week. The children made the giant's castle with different bricks.

Pink Class

It's been busy in Pink Class this week. We've started our new story; *Goldilocks and the Three Bears* and we had a go at making our own porridge. We've also been practicing responding to 'stop' and 'go' by playing musical chairs.

Yellow Class

Yellow Class children have been learning how things melt. They tasted the real fruit ice lollies they made during our cooking lesson. They also made marks with materials during the sensory writing session.

Blue Class

This week in Blue Class we have been exploring different safari yoga poses during our yoga session. The children enjoyed joining in with the different poses. We hope you have a lovely weekend.

Orange Class

Orange Class have been busy learning about shapes. The children have had a lot of fun following instructions to find specific shapes outside, and to count them.

In phonics, we learned the letter sound "D". This was the opportunity for children to work with their peers from Blue Class.

Ladybird Class

Ladybirds Class had an excellent week. The children did some good work developing their fine motor skills through sensory writing, threading, playdough and mark making. We had fun in maths matching, sorting out and identifying big and small objects in our learning environments.

Rainbow Class

This week we have done art work based on pointillism by Georges Seurat. The students in Rainbow Class really enjoyed showing their creative side by choosing different colours and 'pointing' onto the paper. We are still going on our weekly trip to Tesco and learning about our community.

Green Class

Green Class have enjoyed exploring our sensory story this week. We loved exploring the different ingredients to make gingerbread in a tuff tray and tested their different properties. Later in the week we also made gingerbread biscuits that were tasty.

Purple Class

This week Purple Class have been working on commands such as 'stop' and 'go' in P.E. We will then generalize this to road safety. We've also been learning to play the ukulele in music with Kim.

Silver Class

This week the pupils have enjoyed the story *The Smartest Giant in Town*. We made the giant some clothes using collage and we used our computer skills to type words from the story. We also measured and compared the length of 'Jack's beanstalk'.

Butterfly Class

This week in Butterfly Class we have enjoyed communicating in different ways, making choices and showing preferences. We made a fruit salad and enjoyed the smells of all the fruits.

Gold Class

Gold Class has focused on our independence skills this week. We enjoy learning these skills by taking part in games.

We also take part in yoga and relaxation activities to work on our mental health.

We are also learning to follow instructions in our structured work task sessions.
