

The Livity School Weekly Newsletter

School News

The School Day - with immediate effect the start and finish times for pupils have changed. All pupils will start at **9:00am** and finish at **3:00pm**. If you have any difficulties with these times please contact a member of SLT.

Thank you to J Collins - Who donated a beautiful cake to be auctioned amongst staff, with all the proceeds going to The Livity School. As expected, staff members gladly took part and a generous amount was raised and given to the school.

Mental Well-Being week – 9th May. We will be focusing on a well-being theme every day; being in balance, feeling capable, feeling well, having resilience and having a sense of belonging.

Red Class

In Red Class, mobility is very important. Children use different forms of equipment and techniques to improve their mobility skills, climbing up and down stairs, bench sitting, standing frames and walkers. It's great to see the progress they are making.

Yellow Class

Yellow Class children have been learning about movement by feeling different textures over them and making them move with their hands. They have been also learning about hot and cold through the activities. They could feel the contrast in temperatures on foods and liquids and saw how they melted.

Pink Class

We've been learning all about recycling this week in Pink Class. We've been sorting recycling from rubbish and made a wonderful display from recycled materials to remind us to always try to recycle. We've also continued honing our kitchen skills by making cheese and tomato toasties. Yum!

Blue Class

Blue Class children have been exploring water through play linked to this term's theme water. Also, this week, children have been learning to complete short work tasks independently, including following a simple recipe to make French toast. Yummy!

Orange Class

This week in Orange Class, we have been reading *The Gingerbread Man*. The children enjoyed listening to adults reading the story and exploring the props related to it. Some had the opportunity to spell words or match words to pictures.

Ladybird Class

Ladybird Class had an excellent week. We introduced our big book story *The Rainbow Fish* and the children had so much fun engaging with props and sensory activities from the story. Our music session was also great; singing along to songs and dressing up as the characters. Have a lovely weekend.

Rainbow Class

Hello! This week we were learning how to tell the time and about capacity. We did many activities throughout the week and look forward to next week.

Green Class

This week the children enjoyed our dough disco session. They enjoyed squeezing, prodding and rolling the dough.

Purple Class

This week Purple Class have been learning about animals, hunting for them in our surroundings then matching them to their habitats!

Butterfly Class

This week in Butterflies we have really enjoyed exploring ultra violet light in the sensory room. We were really fascinated to see what glowed under the light.

Gold Class

Gold Class have had a wonderful week exploring water and capacity using measurement cylinders.

We described the characters in *The Rainbow Fish*, the story we are reading this week. We are exploring our sensory garden to see which plants are growing and finding strawberries in the raised garden bed!

Silver Class

This week Silver Class enjoyed a trip to *Slime Planet*. The children mixed their own slime and chose what colour it should be. During our *My Creativity* lesson the children used paint to make rainbow fish and the sea.
