

School News

Please remember to call the school office before 7.30am if your child is going to be absent.

For appointments, parents are reminded to bring their appointment letter/email/text message to the office so that we can take note for the registers.

Red Class

In Red Class we use ICT to operate programs and devices. Children can press a switch to activate a toy or touch the IWB to play a game or song.

Yellow Class

Yellow Class children have been making gloop and exploring its texture on their hands. They have been also choosing different accessories to wear and looking at them in the mirror. They chose some for adults to wear too and see how we can change our appearance.

Pink Class

We've been experimenting with mixing different materials to make slime this week in Pink Class which we all really enjoyed. We've also been practising counting to ten using blobs of paint. We loved exploring our brand new play café which we've set up on our balcony, practising buying and selling food!

Blue Class

This week Blue Class worked with Phonics – with messy play, learned how to pronounce it, found objects that starts with this letter like: serpent, socks, sausage in the tray and then matched the objects with their correspondent symbols.

Orange Class

One aspect of our vision in Orange Class consists in developing children's independence and allowing them to carry out some essential tasks related to their well being. We encourage them to brush their

teeth independently and this week, we saw growing confidence during this activity.

Ladybird Class

Ladybirds have had a fun time exploring emotions as part of a sensory story; *My Many Coloured Days*. We took part in different sensory experiences together to explore how we can feel on different days. We have also enjoyed planting bulbs in our Early Years Garden and made our own finger paints with yoghurt and food colouring.

Rainbow Class

In Rainbow Class we worked on maths during our tuck shop activity and also worked on counting/numbers. We also did work on reading and comprehension. We will be working on learning about our environment and ourselves.

Green Class

This week Green Class enjoyed making salad and turkey wraps. They smelled, touched and tasted the ingredients.

Purple Class

We have been having lots of fun this week. We have learned about harvest and enjoyed making squash soup. We also saved the seeds so that we can grow some more squash next year. We enjoyed our music lesson. We learned about different percussion instruments. It was lots of fun!

Butterfly Class

This week we have really enjoyed going to the tuck shop to make choices and exchange money for items. We have also been really engaged with exploring autumn props such as leaves, pine cones, lantern lights, conkers and the smell of bonfires.

Bumblebee Class

This week Bumblebee Class have been learning about gardening, scooping soil into buckets and also feeling leaves. We have also

explored and listened to stories and we chose some books we liked to read with adults. We have been exploring our hand skills with playdough and he also enjoyed our time in EYFS playground.

Gold Class

This week in Gold Class we have been learning all about our bones. We learned how they are connected to each other with the "Funny Bones" song. On Monday we learned that bones might break and made an arm cast to decorate. Gold Class decorated birthday cards with 2D shapes to wish a happy birthday to one of our classmates.

Silver Class

This week Silver Class have been looking at ourselves and our role in the community. We have been learning all about the harvest. We have explored the different foods around the world and naming a range of ingredients. As musicians, we have been learning about different tempos and pitches. We also have explored different drums and the sound of Africa.

Unicorn Class

This week in Unicorn Class we have been sorting 2D and 3D shapes on their properties. We have also been cooking pasta with a French pistou sauce which was very tasty !!!
