

Dear Parents/Carers

**Re: Evidence for Learning Parent App**

The Livity School has launched the “**Evidence for Learning Family App**” This app allows the school to engage with the parents/carers of our pupil’s learners in new and powerful ways. We already use this software to record your child’s achievements and progress. We will be able to quickly and easily share evidence and reports directly with you via the new family app. The main benefits of the new system are:

- Reports Feed to share Learning Journeys
- Journal Feed to share photos/videos, comments and tags of selected evidence/snapshots.
- Parent Comments to allow you to participate and send comments/photos to the school which can in turn be included in the learners’ Learning Journey documents.
- 2-Way conversation mode for parents and staff.

To comply with the General Data Protection Regulations, we need to ask your consent before the school record any images of your child. The Livity school will also ask that any photographs of your child within a group of other children or members of staff, will not be uploaded onto any social networking or online sites. You must not publish any of these photographs or share on social media with family or friends. These photographs should only be used for your own personal use, e.g in photo albums.

Once consent has been received you will be able to access photographs showing evidence of your child’s progress. This will be updated each term and will also act as an end of year report for your child.

Please ensure that school has your correct email address. If you have recently changed email address or are not sure if we have up to date information, contact the office to ensure we have the correct information.

Ivan Luptak  
**Assistant Headteacher**

The table below sets out the various reasons for taking, and making use of, images of your child. Please write your initials in each box to indicate that you consent to your child's personal data being shared for these purposes. If you do not wish to give consent for a particular circumstance, write the word 'No'.

Please tick each box to confirm that you agree to the following:

	<b>Enter your initials below to give consent</b>
For images of my child to be used on the "Evidence for Learning App"	
For images of my child to be taken within a group of children at The Livity School	
For use as evidence of practical activities completed by individuals or groups, which may include them being recorded in their books	
For use on the school's website	
Occasional sharing of images of your child taken for school marketing, either via the school, newsletters or special events	
For my child's images to be safely stored in the iCloud Drive
