

Goodbye and Thank You

We cannot believe that it is that time of year again !!! A time filled with mixed emotions when saying goodbye to our Year 6 Leavers. We are extremely proud of all our pupils and all that they have achieved. We would like to thank you, the parents/carers for your continued support throughout the years and wish you all the best as you start this new journey with your child.

We look forward to welcoming our new parents in September and wish you all a fantastic summer break. School re-opens on the **5th September 2023**.

E-Vouchers – Pupils who are in receipt of free school meals, will receive their e-vouchers on a fortnightly basis during the summer break. An email will be sent to you, informing you when they have been issued.

Red Class

Red Class celebrated the students who are leaving school to move on to new and exciting places in September this week. We enjoyed sharing memories and good work with staff, families and students.

Yellow Class

Yellow Class children this week, have been learning about the Northern Lights and enjoyed a fully immersive sensory experience with a dark sky full of lights over them, they also explored ice and other sensory objects. They also did activities with sensory bags. The children chose their favourites to feel, look and grab the sensory objects that were hidden inside.

Pink Class

As we wind down for the start of the Summer holidays it's been a week of reflection in Pink Class. We made some wonderful photo collages of our year in Pink Class which we look forward to sending home. As well as this we have been looking forwards and have welcomed some of next years pupils into our class for some transition sessions. In My Creativity we have been thinking about holidays and made some sunset paintings and looked at activities to do at the beach. On behalf of everyone in Pink Class we wish

you a lovely Summer break, and look forward to seeing you all back in September.

Blue Class

This was a great year in Blue Class. Pupils have progressed and enjoyed their learning. We had also been to several performances outside and inside of the school. We enjoyed particularly the "International Day" and the "Sports Day" where we had the opportunity to get together in the end to celebrate all our achievements. Well done Blue Class and Staff!! 😊

Orange Class

In Orange Class this week, we have been getting ready for the summer holiday.

We read social stories about our holidays, played fun games, watched our favourite movies and videos whilst continuing to develop our ability to turn take. Our last magic breakfast allowed us to demonstrate this ability. In the playground, we also took turns on different equipment such as bikes and swings. The last day of the term coincides with a child's birthday, so we finished with a great end of year party.

Ladybird Class

Ladybird Class had a wonderful time at Oxygen Trampoline Park. The children enjoyed bouncing and they also liked the cause and effect lights game. The children worked together to switch the lights off, as quickly as possible. Thank you to all parents who were able to join us.

Those children who are moving class next year have been visiting their new classes in preparation this week.

We also made chocolate cakes for our end of term celebration.

We carried on with our seaside theme; counting different coloured boats and fish in maths and role play writing in the pretend ice cream shop.

Rainbow Class

This is our final week in Rainbow Class. We had a very good year. Some of our friends will move on to other settings and the rest will continue to stay and work and learn at the Livity School. We bid farewell and wish them all the best for their future. Thank you to all the pupils and adults who helped Rainbow Class in the past two years to grow, learn and have fun.

Green Class

Green Class have been experimenting with ultra violet light this week. We found seeing what would glow under the UV light fascinating. We have also enjoyed holding end of term parties and celebrations with our friends.

Purple Class

This week Purple Class had a wonderful time learning about animals and their habitats. We not only chose to focus on the exotic animals that are in Africa, but using CVC words we learnt to spell them whilst matching them to their correct habitat. For our last cooking lesson, we made some delicious scones with strawberry jam and a lot of whipped cream. It's been a fantastic fun week in Purple Class and we hope you have a brilliant holiday.

Butterfly Class

This week in Butterfly Class we have said our goodbyes to two special members of the class. Ethan and Theo are leaving for new schools. We wish them all the best and will miss them very much.

We have had a good year exploring and engaging with activities. Cooking lots of tasty recipes and had fun smelling, touching and of course tasting the ingredients. Learning through sensory stories, shared reading and tac pac sessions. We also developed our physical skills through sessions on the mats or in our equipment. We have had a great year, Well done Butterfly Class!

Bumblebee Class

This week Bumblebee Class has been engaged in painting, reading and lots of fun with 'Fun with food', where we could crush cereals and explore the crumbles from it. We have used our hands to create 'Under the Sea' creatures.

We have been sharing books to read with adults and we also have been listening to 'Dear Zoo' story, where we have chosen our favourite zoo animal. It has been an amazing week.

Gold Class

Gold Class have been working on independent skills and identifying modes of transportation and how they travel. Pupils enjoyed the activities during the last week of term and showed what they have learnt this year. We read through a Social Story about Summer holidays to be aware of the changes and feel comfortable about them.

We would like to thank the donation of the T-shirts for the pupils leaving The Livity School 2023.

Silver Class

We are enjoying our last week in Silver Class. We had an excellent year. Some of our friends will stay at the Livity School to work and learn, while others will transition to new settings. We wish them luck in the future as we say farewell.

Unicorn Class

This week in Unicorn Class we have been trying new foods that we have prepared in our cooking lessons. We have also been

learning to tell the time to the hour and to the half hour!!!

Don't Forget
