

The Livity School Weekly Newsletter

School News

We would like to extend a warm **welcome back** to all of our Livity pupils, and 'hello' to new families and children who have joined us this September. Our weekly newsletter is sent home every Friday, and it is also uploaded to our school website and the Classlist app.

Thank you to parents / carers who have signed up for **Classlist**. This app can be downloaded to any mobile device. Your child's teacher and the school will use it to share news and announcements with you, alongside the home-school book.

It is important that all pupil absence is reported to the school office on the first morning of absence. The school office opens at 8.00am and there is an answering machine where you can leave messages.

The school day begins at 9.00 a.m and finishes at 3.00 p.m. If you bring your child to school please ensure you are punctual.

Some families have experienced challenges with **transport** in the first week of school. If you have any issues with transport, please contact **London Hire** on the following numbers rather than contacting the school office. The school office have contacted London Hire on behalf of families and have been assured that the following numbers will get you through to someone to talk to: **0208 187 5318 / 0208 187 5317 / 0208 187 5316**

Red Class

Our topic this term is *Ourselves* and this week we have focused on the children choosing activities and objects they like.

We do a physical activity each day. Here they are doing physibods and enjoying moving to music and instructions. They focus on different parts of their bodies.

The children also operated switch toys.

Yellow Class

Yellow Class children have been exploring different sensory lights and natural resources during the week. They have been making play dough and using it in different activities. They also started to get familiar with the sensory story *The Very Hungry Caterpillar* and the props.

Pink Class

What a fantastic first week back we've had in Pink Class! We've been settling in and meeting our new classmates with lots of messy play and we have all done really well at learning our new routine.

Blue Class

This term our topic is *Ourselves*. We have started looking at activities that are focused around images of the children and the initial letters of their names.

The children also created their own avatars using a computer program.

Orange Class

In Orange Class this week, our main focus was supporting children to settle in and familiarise themselves with their classroom and routine. It has also been an opportunity to welcome new children and introduce them to all of our wonderful learning spaces.

Ladybird Class

Ladybird Class has had a lovely week, settling in and welcoming children every day. They are getting used to their new environment, their new friends and the adults. They are having fun engaging in the different activities.

Rainbow Class

Rainbow Class had a good first week back. We took this week to learn our routine and to settle ourselves in, as well as, getting to know each other. We have pupils new to the school and class and have enjoyed learning and working with them. We look forward to growing and developing together as a class.

Green Class

The children in Green Class have settled quickly back into the school routines. They have really enjoyed making new friends and have joined in very well with all the activities. They have especially enjoyed music with Kim.

Purple Class

The children in Purple Class have settled well into their new class.

We especially enjoyed our reading sessions and also making sandwiches during our cooking session.

Butterfly Class

We have settled into class really well. We have enjoyed cooking this week, exploring all the different ingredients and creating the mix. We have also enjoyed exploring different scented paints in mark making.

Bumblebee Class

The children in Bumblebee Class have been learning new routines and enjoying activities encouraging interactions with their new friends.

The children especially enjoyed P.E in the hall; experimenting with balancing and moving their bodies and joining in actions together.

Gold Class

The children in Gold Class have had a fabulous first week. We have worked on new routines and independent work. Our focus has also been on interactive activities to get to know peers and adults in the class. This has included singing songs about ourselves and parts of our body.

Silver Class

This half term, Silver Class, will be focusing on our fine gross motor skills. We will be taking part in activities that develop our writing. We will also be looking at numbers and children will be practising counting forwards and backwards up to 20. Children will be using this knowledge to add, subtract and problem solve.

Unicorn Class

This week in Unicorn Class we have been working on our handwriting and improving our reading and writing. We have also been enjoying playing our favourite songs in music.

Dates for your Diary 2022

Half Term: 24th October until 28th October

Break up for the Christmas Holidays: 16th December

All our term dates are available on our website.

Don't Forget

The new **school website**

<https://www.thelivingschool.co.uk> On the website under 'Parents and Carers' you will find the link for **Parent Pay** where you can pay for school dinners and uniform.

If you have any issues with transport, please contact **London Hire** on the following numbers
Tel: 0208 187 5318 / 0208 187 5317 / 0208 187 5316
