

School News

Please remember to call the school office before 7.30am if your child is going to be absent.

Red Class

This week Red Class used cornflour with green colouring to make slime. The children fully participated in the activity and loved to move their hands over the texture and feel it on their fingers.

Pink Class

We've been busy in Pink Class this week. We've been making the most of the beautiful Autumn colours in art by using fallen leaves to make prints and collages, inspired by our new story, Leaf Man. In PE we've been practising our jumping and our balancing!

Yellow Class

Yellow Class children have been creating personal pieces of artwork with finger paint and glitter, to represent their version of Bonfire Night. They also manipulated different natural resources related to Halloween and Autumn. Children explored red slime with hidden objects inside.

Blue Class

This week is the first week back from half-term and Blue Class reviewed their lesson about shapes. The pupils identified circles, rectangles, squares and triangles in activities that mirror the nature. They were also able to build the shapes using playdough. Great to see everyone back to school.

Orange Class

In Orange Class this week, we started a new story helping us to learn about our bodies. Children have engaged very well with the activities and have been able to match body parts pictures and clothing items to body parts. We also focused on consolidating children's ability to turn take by encouraging them to sit around the table, play with a toy then pass it to their peer. They are becoming familiar with the activity and this will help to develop their social skills.

Ladybird Class

Ladybirds Class have particularly enjoyed exploring our new role play shoe shop and spa this week. The children were very motivated by using switches to operate the foot spa, massager and bubble machine. They were very focused using the UV writing tablet in the multisensory room and have continued to practise fine motor skills by manipulating and rotating smaller objects to complete a task.

Rainbow Class

We had a good week back and settled in very well. We worked on shapes in our maths lesson and learned about their properties. We look forward to another good half term.

Green Class

This week Green Class enjoyed messy mark making with couscous, spaghetti, shaving foam and cornflakes. They enjoyed the dry and wet textures.

Purple Class

In Purple Class we've been focusing on the story 'The little Red Hen'. This week we learnt about the importance of sharing and helping out a friend. We helped each other make some delicious jam and butter spread and enjoyed eating it just like 'The little Red Hen' in our story. We've also been working on recognising and drawing 2D and 3D shapes.

Butterfly Class

This week in Butterflies we have really enjoyed our new sensory story Autumn Days. We also made our own playdough in dough disco, making choices about the colour and smell of the dough. After we made the dough we used our motor skills to move it in different ways and test how stretchy it was.

Gold Class

Welcome back! Gold Class hope you have had a good Half Term break. This week we have been working on counting and adding spooky numbers for Halloween. We have been reading and using communication boards to say what we see.

Bumblebee Class

Welcome back to Bumblebees 😊. We have had a fantastic first week back as we made playdough at our cooking lesson, pouring flour and adding oil, water and cinnamon and mixing. It was really fun! Bumblebees have done really well in their maths session where they could count numbers using building blocks and look for numbers under shaving foam. We have also been at the school's Tuck Shop and we enjoyed choosing to buy crisps and crackers for our snacks.

Silver Class

This week Silver Class have been focusing on number work, especially recognising numerals 1—10 and reciting numbers in order. Using fingers/marks/pictures to represent numbers and realising anything can be counted, including jumps and claps. We have also been learning number songs to help with this.

Unicorn Class

This week in Unicorn Class we have been typing out full sentences on our likes, dislikes and what we hope to be. We have also been trick or treating and learning about food chains!!!
