

The Livity School Weekly Newsletter

School News

Our whole school topic this term is 'Changes'. You should have received your child's class timetable and Personal Learning Intention Map (PLIMS). If you have not received this, please contact the class teacher.

Thank you to parents / carers who have signed up for **Classlist**. This app can be downloaded to any mobile device. Your child's teacher and the school will use it to share news and announcements with you, alongside the home-school book.

Our weekly newsletter is sent home every Friday, and it is also uploaded to our school website and the Classlist app. We would like to direct your attention to our new **school website** <https://www.thelivingschool.co.uk> and invite you to familiarise yourself with it. On the website under 'Parents and Carers' you will find the link for **Parent Pay** where you can pay for school dinners and uniform.

It is important that all pupil absence is reported to the school office on the first morning of absence. The school office opens at 8.00am and there is an answering machine where you can leave messages. It is vital that you contact the school office if your child is unwell before 7:30 by leaving a voicemail. Any pupil absences not reported will be followed up by our Designated Safeguarding Lead and flagged with the Lambeth Education Welfare Office (EWO).

Some families have experienced challenges with **transport** in the first week of school. If you have any issues with transport, please contact **London Hire** on the following numbers rather than contacting the school office. The school office have contacted London Hire on behalf of families and have been assured that the following numbers will get you through to someone to talk to: **0208 187 5318 / 0208 187 5317 / 0208 187 5316**

Red Class

In Red Class this week we had fun making lemonade ice lollies. Everyone liked the smell of the lemons and tasting some of the mixture. We also mixed primary coloured paints to see how the colours changed. The children continue to enjoy all the physical activities and are working on 'My Body' targets and enjoying being with their friends. Everyone enjoys music and playing the instruments.

Yellow Class

Yellow Class children have been learning about 'Changes'. We created a collage using leaves and flowers to see how they change in autumn. We also made mash potato and the children had the opportunity to feel how potatoe changes in every part of the process. We also explored how we can we see things
www.thelivingschool.co.uk

differently when we apply filters of different colours and lights.

Gold Class

Gold Class have been learning about shapes. We enjoyed making different shapes with lollipop sticks. We also made some art and painted a big hungry caterpillar with different colours.

Pink Class

We have been working on settling into our new routines in Pink Class this week. We have been practising our balancing in PE, and even had our first swimming session of the year – which we absolutely loved. The children have been more focussed in the classroom this week with lots of puzzles, sensory play and plenty of bubbles!

Blue Class

This week 'breakfast club' restarted and Blue Class children had the opportunity to practise their independence, communication and cooking skills. Children were able to choose from a selection of items on the menu, such as bagel or toast with jam and/or butter; and porridge or cornflakes.

Breakfast Club

Orange Class

In Orange Class we have consolidated our understanding of the class routine and children have started to demonstrate a better understanding of this routine. On Thursday, we had our first 'breakfast club' in the morning and this provided children with opportunities to use their PECS symbols to make requests.

Ladybird Class

Ladybird Class had a great week. We have been working on 'Changes' for our theme topic. The children enjoyed making smoothies. We explored how solids can change into liquid. We all are amazing at yoga.

Rainbow Class

Rainbow Class had swimming for the first time this week and it went really well! We are growing as a class and look forward to working on our life skills.

Green Class

Green Class really enjoyed their music session this week. They did some fantastic drumming and strumming of the ukuleles. We liked following the music and also expressing ourselves using the instruments and our voices.

Purple Class

Purple Class this has been working on recognising numerals 1–10 and reciting numbers in order. We have also been using our fingers/marks/pictures to represent numbers and realising anything can be counted, including objects and claps. We have also been focussing on our 2D and 3D shapes.

Butterfly Class

This week in Butterfly Class the children were making Bruchetta. We particularly loved smelling the spices and seasonings. In our physical session we loved holding pom poms and balls.

Silver Class

This week the children had their first swimming session. They also focused on learning how to use kitchen utensils safely in order to make toast.

Stay Alert to the Symptoms of Corovavirus

HIGH TEMPERATURE	NEW CONTINUOUS COUGH	LOSS OF TASTE OR SMELL?

OTHER NEWS

A big thank you to Iceland Brixton as they have started supporting our 'breakfast club' with condiments.

We would like to wish our Assistant Headteacher, Amanda Ferrari, all the best as she will be going on maternity leave from Monday 20th Sept. In her absence two of our senior teachers will be covering her post, Samantha Battersby (Monday – Wednesday) and Jocelyn Campbell (Wednesday – Friday).
