Absence from school is recorded as either  
“Authorised” or “Unauthorised”

By law only the school can authorise an absence. A written note or telephone explanation by a parent /carer does not, in itself, oblige the school to authorise the absence if the school does not accept the explanation offered as a valid reason for absence. The decision lies only with the Headteacher or Deputy Headteacher. All reasons for absence are recorded in the register and notes filed in an agreed place. There is consistency throughout the school in what is authorised.

Unauthorised absence is recorded where there is no or unacceptable explanation of a child's non-attendance at school. High levels of unauthorised absence can result in a referral to the Education Welfare Service.

#### Days of Religious Observance

Parents/Carers must contact the school office if any days of religious observance fall during term time which could result in a child being absent from school.

#### Family Holidays and Extended Trips Overseas

Parents/Carers are requested to organise any family holidays within the school's holiday dates. Holidays in term time are not authorised unless there are exceptional circumstances, where written permission from the head teacher must be obtained. By following this policy both the school and Parents/Carers can positively promote good attendance, raise achievement and promote wellbeing of every child at The Livity School.
