

# Green Class

Dear Parents/Carers,

We hope you all had a lovely holiday. This half term we will be continuing our theme of 'Inventions'. In Art and DT we have made paintings using alka seltzer rockets; in Science we have made many different types of slime, we found that corn flour and hair conditioner was our favourite, in History and Geography we have been learning about Space travel. After half term we will begin our new topic of 'Waterways'. For this term in P.S.H.E. we will be studying 'Safe Living'; in R.E. we are learning about 'Faith Books,' and in P.E. we will be focusing on 'Games'.

Tuesday is our Swimming day. Please can you send in swimming trunks/costume, towel, as well as a swim nappy/pad or specialised swimwear such as those sold by [www.incywincy.net](http://www.incywincy.net). On Thursdays we have P.E. and on Fridays we have Dance. Please send in a PE kit (e.g. jogging bottoms, shorts and t-shirts) for both days. Also please can you send in a complete change of clothes for your child, just in case we need to change them, including vests if worn and socks. This can be put in your child's school bag or in a labelled carrier bag and kept in school. Thank you.

I will continue to write in your child's Home/School book to let you know about their day so please write back and let me know anything you feel would be helpful. We will be glad to share and hear about your child through their Chat Book. It is always nice to see photos or messages about their favourite activities or experiences at home. We will be writing in the Chat books on Thursdays, so do please ensure we receive it back by then as well as the Homework books. Thank you.

Best wishes,

Sam, Sharon, Lorna, Diana and Katia
