

Pink Class

Autumn Newsletter

16th September 2019

Dear Parents/ Carers,

Welcome to the new Autumn term 2019. First of all, I would like to share that all the children are settling well and enjoying their learning. Pink class has 8 children and they focus on KS1 curriculum. We have our Mathematic and English lessons every day. We will be continuing with our assessment, working on children's Individual targets, establishing strong, supportive learning environment and routines.

Our main topic in Autumn term is: 'Preparing foods'. The children are learning about food through sensory and cross-curriculum activities. Our lessons are offering to the children experience across History, Geography, Art, Design and technology and Science. We will look at where our food comes from and how they can be prepared. In PSHE children are learning about our class environment, themselves and their peers. After October half term children will learn about their families and families around the world.

In R.E. we are focusing on Names and Naming. Our Music lessons will give the children to experience how timbre and pitch work.

Our P.E. lesson will take place every Thursday and our topic for the Autumn term will be Gymnastic. We also have Dance lesson on Wednesday. These two days therefore, the children will need their P.E. kit.

Our Swimming lesson will be on Friday for the children whose parent wish to take part in. The children attending swimming will need their swimming kit and swimming nappy, if needed.

We will support your child learning with Homework, which will be send home every Friday starting from this week. Alberta, HLTA will send you detailed letter this Friday.

I will inform you about new topics we learn regularly through home-school books. I encourage you to use our yellow communication book to share everyday information and address your questions.

Best wishes

Maria Orsulak, Pink Class Teacher

And team: Alberta, Nadia, Janet, Serena & Naisha (lunch supervisor)
