

The Livity School Weekly Newsletter

School News

Welcome to the first 'Livity Life' newsletter. We will be producing these newsletters weekly to keep you up to date with what is going on at The Livity School.

The Parents and Carers Group meet every other Tuesday at the school from 9.30-10.30 am. The group met this week and discussed communication with school, fundraising and setting up a Parent/Teacher Association. They decided that a Summer Fair would take place on Saturday 11th July 2020 and more details of this will follow. The next meeting will be on Tuesday 4th February. Richard Pargeter from Direct Payments will be coming in to speak to the group about how funding can be obtained from Social Care to help support families. Do join us if you can.

There is a WhatsApp group set up by one of our parents. If you would like to join this group, please contact Sandra on Reception.

All pupils will be able to have a school photograph taken next week on Thursday 30th January. Hopefully, this will raise some funds for the school.

Gold Class and Purple Class both have their Parents/Carers Evening next week on Thursday 30th January 2020 from 15.40.

If your child is in Butterflies Class or Ladybirds Class, we look forward to welcoming you from 9.30-11:00 am on Monday 27th January for a class visit. You will be able to meet the staff and see what your child is learning.

Here is the news from all the classes.....

Red Class

This week the children have enjoyed learning about Chinese New Year. We loved drumming and watched some Lion dancing with fascination! We have made Chinese lanterns and painted them and are numbers 1-10 in Chinese writing. We are continuing to make more Chinese related items this week for our display. Next, we are focussing more on our insect theme and plan to make ladybird cakes and make some bug houses. It should be fun.

Yellow Class

Yellow class have been doing some brilliant swimming this week. Please remember swimming is on Wednesday morning and send in swimming kit for your child if we haven't got it already.

Blue Class

Blue class team would like to thank Parents/carers who were able to attend our class open morning this week. Also, this week pupils enjoyed a lovely cooking session. They made gluten free Rice Krispies cakes. They were able to see the change in chocolate when heated and when cooled. 😊

Gold Class

We have been learning about measures (full and empty). We have been brushing our teeth after dinner and learning which toilet to use. We have also done lots of role play activities. We have made also cake during our cooking activities using standard and non-standard measurements. We had a very good and fun week

Pink Class

Pink Class had a good week and all the learners were engaged and enjoyed their dance session. Next week Pink Class is looking forward to swimming on Monday and music session on Thursday.

Orange Class

This week we have enjoyed making sandwiches in cooking sessions and each child chose the toppings. Some children liked eating them, some had a sensory exploration. We have also started to introduce a sensory circuit so the children have a daily morning movement break. Next week we are planning to make toast and we will be using numbers to carry on our daily activities such as maths, snack or story time.

Ladybirds Class

This week Ladybirds have really enjoyed our new sensory story; it's been a great communication starting point. We've also been enjoying sharing books in the library. Parents please remember to email photos from home if you haven't already! Thanks to those who have!

Green Class

Green have had a great week working on body awareness. We have placed our hands and feet in unusual textures such as sand, uncooked rice, vegetarian jelly, mousse and pebbles. We have sat and laid on different textures, but our favourite was foot spas finished by massages using different scents.

Purple Class

This week Purple Class have been transforming our classroom into a cinema. We will start inviting the other classes for movie afternoons. Looking forward to seeing you for Parents Evening on Thursday.

Butterflies Class

Butterfly Class have had a busy week making baked pears with spices and created models of rooms (living room, kitchen, bedroom and bathroom) for our class display. Please send us your family photos for our topic lessons so we can learn all about the family we live with at home. Don't forget to give us the names of the family members too! You can send hard copies; we can make a copy and return the original or email to school email address. Many thanks.

Silver Class

This week Silver Class has been very busy. We have been learning about how the Chinese celebrate their New Year and performed a dragon dance for assembly. We also have been running a Tuck Shop in the school where other classes have been coming to get snacks in exchange for money.
