

The Livity School

Positive learning, positive life

12th February 2016

To All Parents/Carers

Dear Parents/Carers

Re: OFSTED INSPECTION TUESDAY 19TH JANUARY 2016

The Governors and I are pleased to announce that our Ofsted Report is ready for publication and is enclosed with this letter. The report will be available from the 24th February on The Ofsted Website www.ofsted.gov.uk.

If you wish to register your views, you can go to "Parent View" where there is a link to this on the school website www.thelivingschool.co.uk

The Livity School is a "Good" School which is reflected in the report. The school is made up of many parts, firstly the amazing pupils, its teachers, teaching assistants, administrative staff, health professionals, premises staff and of course parents and carers. We would like to thank everyone for their support that has helped to make The Livity School "Good". Please read the report and if you have any queries feel free to contact me.

On that happy note it is with sadness that tomorrow, 12th February is Lynn Keen, our school nurse's last day with us. Lynn has been with us for over a year and has had a really positive impact on the organisation of all things "medical" within the school and I am sure you are with us in thanking her for all her hard work and in wishing her all the best for the future. We have an agency nurse, Feven Kasahun to cover the post until a new nurse is appointed.

Yours sincerely

Carol Argent
Headteacher
