

WELCOME TO PINK CLASS

Dear Parents,

Welcome to Pink class. The class logo for this term will be Pink Candy Floss. I am Sarah, the class teacher. The other people working in Pink class will be Petuel and Tara – Level 4 HLTAs, as well as Alba, Enyo and Joycelin. We have the following each week:

- **PE: Fridays & Dance: Wednesdays** (Please send in shorts/track bottoms and a top which we will keep at school for the term, sending home at the end of the term to be washed).
- **Swimming: Thursdays.** (Please send in swimming costumes and /swimming nappies or pads).

This term our Themed Curriculum (Art, DT, Science, History and Geography) will be based on the topic '**Making Things Work**'. In PSHE, we will be looking at '**Emotions and Moods**'. For PE, we will be focusing on Gymnastics, where the children will have the opportunity to move in a variety of ways, while learning how to follow instructions about pace and timing through the use of symbols.

Our main means of communication will be through the yellow books. It would be very helpful if you can comment on anything you feel we need to know about your child's time at home in terms of eating, sleep etc. We will also write about your child's day in the book. The chat books can be used to tell us about any lovely events you have experienced with your child, such as going to the park or theatre.

We look forward to working with your child this year.

From Sarah and the Pink team.
